

ASET SPRING FLY-IN

May 13-14, 2008

ASET is in the process of planning our fly-in to Washington, D.C. on May 13-14. We wanted to know if you or someone in your organization would be able to attend this event.

? **Yes, I would be interested in attending an event to support ASET and our pilot project legislation in Washington, D.C. on May 13-14**

? **No, our company could not participate at an event in Washington, D.C. on those dates**

We will meet for a luncheon on Capitol Hill May 13th in the Rayburn House Office Building (Room #B-338) where we will conduct role playing and strategy sessions and then break out into small groups and meet with several Members of Congress that afternoon. On May 14 we will meet in the Rayburn House Office Building (Room #B-340) for a breakfast and then once again break out into groups to meet additional Members of Congress from key targeted states. Meetings will end on the 14th in the early afternoon allowing ample time for those needing to catch a flight. The states we will target include **Georgia, Maine, Minnesota, South Carolina and Wisconsin**. Please list any House Members or U.S. Senators (or staffers representing such Members or Senators) that you would particularly like to meet with on May 13 or 14.

In addition to our meetings, we will host a dinner the evening of May 13 at The Monocle (107 D Street, NE) for anyone able to attend. This will give us an opportunity to discuss the day's meetings and perhaps dine with a few staffers as well. Please indicate if you would be available for dinner.

? **I would be interested in attending the dinner on May 13**

? **I would not be able to attend a dinner that evening**

If you have any suggestions, please respond below. Feel free to provide any ideas for the fly-in or whom you think we should invite to either our luncheon on May 13 or our breakfast on May 14.
